Welcome to PowerSchool Parent Portal! This portal will provide you with up-to-date information regarding your child's progress in each of their classes and further communication between school and home. Be aware that Parent Portal will be shut down the week grades are due. It will be turned back on when grades are complete.   Here are the directions for logging into your child's information:

Directions for Logging Onto PowerSchool:

1- Go to: http://pstomcat.oobschools.org/public

2- A screen will appear, prompting you for your username and password
        If you do not have a username and password please contact
        Karen Murphy via email at ksmurphy@rsu23.org

3- Your screen should open to the parent portal homepage. Grades and Attendance is the first screen you should see. Each of your child's classes should be listed. For current grade information, refer to the column labeled Q1. Each class will have a P/F or a number grade listed. If you click on either of these, your screen will move to a listing of all assignments for the current quarter, and you will be able to retrieve specific information about each of them. You may also click on the teacher's name in blue and that will take you to a direct link to their email.

4- Another screen of interest is the Attendance History. This will give you details about the number of absences and tardies that have been recorded for your child. Please see our schools' "Attendance Policy" in your child's "Student Handbook".

5- The School Bulletin will contain any important school information and upcoming events to share and will be updated regularly.

6- Other screens are inactive at this time. These include Class Registration, Balance, and My Calendars.

Please direct any feedback, questions, or concerns about Powerschool Portal to Karen Murphy, via email at ksmurphy@rsu23.org.
