

## **TITLE I PARENT INVOLVEMENT**

This district-level policy has been developed jointly with the parents/guardians of students participating in the RSU #23 School Department's Title I programs. It provides an understanding of the shared responsibility of the school system and parents/guardians in improving students' academic achievement and school performance. The Superintendent/designee will be responsible for distributing this policy to parents/guardians of students participating in the RSU #23 School Department's Title I programs.

Because parent involvement is so important to a student's success in school, the Board encourages regular participation in all aspects of the RSU #23 School Department's Title I programs.

  - a. Involving school system and building representatives from other programs to assist in identifying specific population needs; and
  - b. Sharing data between programs to assist in developing new initiative to improve student academic achievement and school improvement.
5. RSU #23 School Department conducts, with the involvement of parents/guardians, an annual evaluation of the content and effectiveness of the parental involvement policy in improving the academic quality of the schools served under Title I, including identifying barriers to greater participation by parents/guardians in activities authorized by this section (with particular attention to parents/guardians who are economically disadvantaged, disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background), using the findings of such evaluation to design strategies for more effective parents/guardian involvement, and revising, if necessary, the parents/guardian involvement policies described in this section by:

- a. Evaluating the content and effectiveness of the parents/guardian involvement policy through a variety of means such as surveys and informal meetings involving district and school administrators, teachers, and parents/guardians.
  - b. Identifying and overcoming barriers to effective evaluation and input, e.g., language support for parents/guardians who do not speak English or have limited English proficiency, scheduling multiple meetings at various times of day or night, meeting in places accessible by public transportation, or providing a means of transportation.
6. RSU #23 School Department involves parents/guardians in the activities of the schools served under Title I by:
