July 17, 2020

Dear RSU 23 Community,

Earlier today I sent out a letter indicating that we are currently planning for a full return to school. This is being asked of us by the Maine Department of Education. We do recognize that some families are worried about sending students back during the pandemic. Part of this planning process will be developing and continuing the remote learning platform for families that opt out of sending their children physically to school. A survey will be sent to families to gather data about the needs of each household next week. Please give me a call (207) 351-0099 if you have any questions. Thank you for reading and my apologies for not including this information in the earlier communication. Have a good weekend.

Sincerely,

A handwritten signature in blue ink that reads "John Suttie".

John Suttie
RSU 23 Superintendent of Schools
