

RSU 23 – Old Orchard Beach

ANNUAL NOTIFICATION OF ASBESTOS-CONTAINING BUILDING MATERIALS

RSU 23 – Old Orchard Beach has inspected all buildings used for implementation of education, transportation, storage, housing, and administration for the presence of suspected asbestos-containing materials in accordance with the Asbestos Hazard Emergency Response Act (AHERA) EPA 40 CFR 763. A written plan for the management of these materials has been maintained by Environmental Safety & Hygiene Associates Inc. of Westbrook, Maine.

The AHERA Management Plan is available for inspection by the general public at the Superintendent's office. The plans may be inspected during normal business hours, an appointment should be made. Copies of the plans can be provided at the cost of 15 cents per page.

The Management Plan is a guidance document outlining operational procedures designed for the proper maintenance and safety of all people who work, study, or are otherwise present in any of the following facilities:

Old Orchard Beach High School, Old Orchard Beach High School Modular buildings, Loranger Middle School, Jameson Elementary, Adult Ed services (White House)

The materials are bi-annually inspected for change in condition during six-month periodic surveillance is conducted every January and June. Any questions or concerns should be addressed to Rob Kierstead, Facilities and Transportation Director at 207-934-5751.
