

AHERA Annual Asbestos Notification
RSU 23
40 E. Emerson Cummings Blvd.
Old Orchard Beach, Maine

Regional School Unit 23 (RSU 23) has inspected and developed Asbestos Management Plans for all buildings/facilities used for the implementation of education for the presence of suspect asbestos-containing building materials in accordance with the Asbestos Hazard Emergency Response Act (AHERA) EPA 40 CFR 763. The Management Plans have been developed by Environmental Safety & Hygiene Associates LLC (ESHA, a subsidiary of Sevee & Maher Engineers (SME) of Cumberland, Maine.

The Asbestos Management Plans are available for inspection by the general public at the Central Office. The plans may be inspected during normal office hours, an appointment should be made. Copies of the plans can be provided at a cost of 20 cents per page.

The Management Plans are a guidance document outlining operational procedures designed for the proper maintenance and safety of all people who work, study, or are otherwise present in any of the following facilities:

- **Old Orchard Beach High School**
- **Loranger Memorial School**
- **Jameson Elementary School**

Some of the facilities listed above have known asbestos materials and are bi-annually inspected for change in condition during six-month periodic surveillances conducted every January and June. Any questions or concerns should be addressed to Mr. Kevin Girard, Director of Facilities and Maintenance, RSU 23, 40 E. Emerson Cummings Blvd., Old Orchard Beach, Maine 04064.
